(By Associated Press)

Columbus, O., November 4.—For the first time in history Ohio will have a complete Republican congressional delegation as result of Tuesday's election.

(By Associated Press)

MURDER CHARGE FILED AGAINST AUTO SALESMAN

New Jersey Man is Held For Killing Bank Messenger

(By Associated Press)

Camden, N. J., November 4.—Frank James, a motor car salesman, who had been under detention in the Camden county jail since October 4 after the body of David S. Paul, a bank messenger, was found in a shallow grave in the Jersey pines, has been locked in the county jail formally charged with the killing of Paul.

Paul was taking \$40,000 in cash and \$30,000 in checks to a Philadelphia bank when he disappeared March 5th.

Tennessee Swings Into Republican Ranks For First Time Since The War

Harding Now Assured of at Least 386 Electoral Votes.

Many Points in South Upset Precedent by Going Republican.

Congressional Victory Growing Steadily

(By Associated Press)

New York, November 4.—Tennessee has swung into the swelling Republican columns, shattering Democratic traditions of a "solid South," unofficial but nearly complete returns from the Volunteer State showed today.

Her shift from the Democratic ranks, coupled with a similar upset in Oklahoma, reported late last night, assured Warren G. Harding of 386 electoral votes as against 127—definitely in the James M. Cox column and left in doubt but eighteen seats in the electoral college divided among Arizona (3), Montana (4), Nevada (3), New Mexico (3) and North Dakota (5).

In all of these states save New Mexico, Harding was in the lead on available returns, and even in New Mexico, Republican managers were claiming a Harding plurality, though returns showed a Cox lead.

Tennessee, on the face of returns tabulated by the Memphis Commercial Appeal from 95 of 95 counties with 50 precincts missing, gave Harding 199,759 votes and Cox 189,782, a Harding plurality of 9,977.

Governor Roberts, Democrat, was swept out on the Republican tide, and Alf A. Taylor, unsuccessful candidate for governor against his brother in 1886, was elected.

No further actual upsets were reported from the "solid South," although several towns in Florida and Louisiana and several counties in Georgia and Alabama broke precedent by piling up Harding pluralities.

The Republican congressional sweep assumed larger proportions as belated returns continued to come in. The victory of Samuel D. Nicholson, Republican candidate for the Senate from Colorado, assured President-elect Harding a majority of at least ten in the upper house; and of five states where senatorial choices had not been determined, the Republican candidates were in the lead in four—Arizona, Oregon, Nevada and North Dakota.

The Republicans had a clear majority with 257 in the House of Representatives to 132 for the Democrats.

Several notable upsets occurred in the congressional races, among them the retirement by Missouri voters of former Speaker Champ Clark of the House and the election by Texas voters of a Republican representative, Harry Waurzbach.

WOMAN NAMED TO CONGRESS FROM OKLAHOMA

(By Associated Press)

Oklahoma City, November 4.—Miss Alice Robertson, Republican, who came to the old Indian Territory behind an ox cart more than 60 years ago with her missionary father, is the choice of voters of the second Oklahoma district for representative in congress. She defeated W. W. Hastings, one of Oklahoma's oldest Democratic congressmen.

ARABIANS ARE PHOTOGRAPHED AT PRAYER IN DESERT

Arabs seated in prayer about the open air pulpit from which Koran is being preached.

The opposition of the devotees shown above to having their picture taken while worshipping makes this photo an unique one.

It shows the religious Arabs clustered about a pulpit in the desert of Algeria. The Koran is being preached by one of the

leaders on the raised platform in the center. The hoods and flowing robes of the Arabs make the gathering a picturesque one.

FEW DEMOCRATS TO HOLD SEATS IN LEGISLATURE

Both Branches of Ohio Legislature Very Much Republican

Democrats Certain of Only Two Seats in The Senate

(By Associated Press)

Columbus, O., November 4.—Unofficial returns from Tuesday's election assured the Republicans undisputed control of both branches of the state legislature.

In the house out of 121 members, Republicans are sure of 104 to 12 for the Democrats. Five counties each with one representative are still in doubt.

In the senate the Republicans are assured 33 while the Democrats are certain of only two. Two seats, those in the 18th and 19th districts are doubtful.

MANY BREAKS ARE INDICATED IN SOLID SOUTH

Even Florida Cities Went Republican For First Time

Alabama and Mississippi Towns Republican.

(By Associated Press)

Atlanta, Ga., November 4.—Tennessee and Louisiana were not the only states in the "solid South" in which the Republicans made unexpected gains in the presidential election. Late reports from Florida show Harding carried a number of towns in that state, including St. Petersburg, Orlando and Daytona.

Returns from the outlying districts are coming in slowly and Republican leaders predict further gains.

For the first time in history several towns and country precincts in six Mississippi districts gave Republican majorities. Some towns in Alabama returned Republican majorities.

BRITISH PRESS LOOK FAVORABLY UPON ELECTION

Think Harding Wishes to Help The World Generally

Say American Government Will Not Be Misunderstood

(By Associated Press)

London, November 4.—Leading provincial newspapers consider the election of Senator Harding to the presidency as an indication the electorate is tired of what the journals call one man rule.

The Yorkshire Post considers it a good thing in the present difficult phase of its national history, that the United States elected the candidate it did.

"Senator Harding's aim at least is already defined. He wishes to help the world so far as he can honorably do so with the approval of congress and without compromising American interests," says this newspaper.

"We believe we interpret European as well as British opinion," it adds, "when we say that an American government which stands for its own country first, last and for all time will be understood and appreciated in this old world of ours, which has lost its illusions and is no longer in a mood to strain after visionary politics."

BRYAN'S VIEW

(By Associated Press)

Lincoln, Neb., November 3.—William Jennings Bryan placed what he termed the blame for Democratic defeat about equally between President Wilson and Governor Cox in statement made here tonight.

The President, he said, "laid the foundations for the disaster, and the Governor completed the structure."

"The American people want the government to play its part in the abolition of war, but they are indifferent as to whether we are part of a league or part of an association of nations."

"Governor Cox, instead of repairing the injury done by the President, aggravated the situation by the manner in which he avoided domestic issues and misrepresented the position of the Republican Party on the league issue, which he declared to be paramount."

FAVOR BOOZE BILL IN EAST

(By Associated Press)

Boston, November 4.—Official returns from 674 precincts in the state show the affirmative leading in the referendum on the bill to legalize the sale of light wines and beers. The figures are: yes, 242,310; no, 232,270.

PRESIDENT WILSON MAKES NO COMMENT

(By Associated Press)

Washington, November 3.—President Wilson had no comment to make today on the result of Tuesday's election nor did he send a message of congratulation to President-elect Harding.

Rear Admiral Grayson stated that the President's health apparently had been unaffected by the result of the election.

PALMER WILL FACE PROBE OF CONDUCT

CLEARS UP DESK TO LEAVE ON TRIP

Notified of Inquiry Into His Connection With Case Against Miners and Operators

His Restrictions Said To Take Heart Out of Prosecution.

Echo of Resignation of Assistant Sims

(By Associated Press)

Indianapolis, November 4.—Attorney General A. Mitchell Palmer was advised in a telegram from United States District Judge A. B. Anderson today that an investigation of the Attorney General's connection with the case against 125 coal mine operators and miners would be made when the case was called for trial on November 8th. Mr. Palmer was invited to be present on that date.

Judge Anderson assured the Attorney General the case of the coal miners and operators would be called on the date set, although to date only the Indiana miners and operators and those of Western Pennsylvania are in the jurisdiction of the Indiana District Court.

No indication as to the scope or nature of the investigation was given in the telegram, but it was believed Dan W. Simms, special assistant counsel for the government would be called to explain an alleged proposal in regard to the evidence in the case said to have been made by Mr. Palmer and which resulted in Simms' withdrawal from the case.

It was expected United States District Attorney Fred Van Nuys, former District Attorney L. Eri Slack and department of justice agents also would be called.

Judge Anderson's action was the result of the resignation on October 4 of Mr. Simms who was in charge of the prosecution of the 125 miners and operators indicted March 11, 1920, for violation of the Lever act.

Mr. Simms' explanation of his resignation was that Attorney General Palmer had imposed limitations on the conduct of the case that "literally cut the heart out of the case."

President-Elect Harding Will Leave Saturday on Vacation

Marion to Celebrate Election Of Her Foremost Citizen

(By Associated Press)

Marion, O., November 4.—With only two days remaining before he leaves Marion for a month's vacation, President-elect Harding went to work today clearing up his desk of the final left over details of his campaign.

With Mrs. Harding, he will start at 7:30 Saturday morning for Point Isabel, Texas, where he will spend twelve days hunting and fishing prior to an ocean voyage to the Panama Canal zone.

He plans to be back in Marion December 6, and after that they go to some golf coast resort for a winter to be spent in choosing his cabinet and formulating the policies of his administration.

He may make short talks from his train along the way south and may also deliver one or two addresses on particular subjects before March 4th.

Tonight, Marion is to celebrate formally his election to the presidency, and several hundred people from other cities are expected to join in the occasion. There will be all the noise and red fire his loyal neighbors and friends can produce and many special features to give the Harding front porch and lawn a final baptism of campaign glory.

Merchantman Reaches New York Harbor, First in Six Years.

(By Associated Press)

New York, November 4.—The first merchant steamship flying the German flag to come to the port of New York since July, 1914, arrived here today.

The vessel, which marks the resumption of trade with Germany under the flag of that country, was the Sopic Rickmers, a steamer of 4,862 tons, built in Germany during the war. She is flying the old German merchant marine flag and her captain and crew are Germans.

Political Experts "Assign" Places in Harding Cabinet

Former Local Citizen Prominently Mentioned for Place

(By Associated Press)
Marion, O., November 4.—Although nothing authoritative has come from Mr. Harding or any of his close advisers as to the probable Cabinet selections of the new administration, campaign gossip has included repeated mention of several prominent Republicans for Cabinet posts.
In this speculative talk two names heard with great frequency are those of Harry M. Daugherty and John W. Weeks of Massachusetts. Throughout the campaign Mr. Daugherty has been more closely associated with Mr. Harding than any other party manager.

er. He is mentioned for Attorney General.

A former senator, Mr. Weeks, also has been a member of the Republican Campaign Executive committee in the campaign just closed.

Among many names whispered in connection with the post of Secretary of State are those of Henry Cabot Lodge, Elihu Root, Philander C. Knox and Charles Evans Hughes. Whether political history will repeat itself in the selection of Will H. Hays, chairman of the Republican National committee, as Postmaster General, is another question.

Hertert Hoover, the former Food Administrator, has been talked about frequently to the Treasury or Interior departments. There has been a theory circulated that Senator Harding might ask Major General Leonard Wood or General John J. Pershing to take the War portfolio.

For Secretary of Agriculture, are suggested, Henry Wallace, of Iowa the publisher of farm periodicals, and Senator Arthur Capper, of Kansas. Representative John Esch, of Wisconsin, is suggested for Secretary of Commerce, and in general speculation about cabinet assignments, have appeared the names of Senator Albert B. Fall, of New Mexico; Myron T. Herrick, of Cleveland; Walter S. Brown, of Toledo; Raymon Robins, of Chicago Senator Smoot, of Utah, and enough others to work up a dozen official families.

OFFICIALS DO NOT GRANT THE REQUEST

A request from Wilmington that the Washington-Wilmington high football game scheduled for Saturday afternoon be played on Friday afternoon was not granted by the local school officials. The game will be played as arranged when the schedule was arranged for the season.

School officials here feel that the school work is disturbed when the games are played on Friday. So great is the school spirit here that more than half the school plans regularly to attend a game when it is played out of town and should the contest take place on Friday the students would be denied the privilege of seeing it or suffer a cut in their grades, it is said. The team will leave here about noon Saturday and scores of rooters will accompany it. Local backers of the squad think that one of the critical games of the season is to be played and will be on hand to assist in securing the decision for Washington.

PRISONER GOES TO BEDSIDE OF DYING BROTHER

Homer Self Escorted To Bedside By Deputy Sheriff.

Homer Self, a prisoner in the county jail who was indicted by the grand jury for forgery, was escorted Wednesday to the bedside of his brother, Herman Self, who physicians say is dying.

The dying man was severely injured at the M. Hamm Company more than a year ago when he was crushed about the legs and also injured internally by a cave-in. One leg had been removed.

He is staying at the home of a relative on Campbell street and attending physicians have given up hope for his recovery.

Months of suffering have left their mark and his condition is such that he is unconscious. Only for a few minutes at a time is he completely rational and during these moments he has been asking to see his brother.

Hearing of this request Sheriff N. B. Hall readily granted it and Wednesday morning he sent the accused man to his brother in the custody of the deputy.

PROTESTANTS HOLD MEETING

Expense Money for Committee to Attend Hearing in Columbus is Raised.

To take further action in preventing The Washington Gas and Electric Company from charging what they declare to be an unwarranted increase in rates twenty-five interested citizens met at the Mayor's office Wednesday evening and close to \$120 was raised to meet incidental expenses which might occur.

A report was read by R. C. Peddicord, one of those who head the committee of protestants who recounted the filing of the petition signed by users of city heat with the Ohio Utilities Commission in Columbus.

A hearing has been set for Nov. 19 and the committee which presented the petition to the Utilities Commission will again be on hand. It is understood that one or two attorneys will be retained to represent the committee.

For the support accorded the Crabbe Act at the polls Tuesday Mrs. Ed Darlington has extended thanks to the women of Fayette county. The measure carried in Fayette county by 3823 votes.

Mrs. Darlington was appointed county chairman on the referendum measure when the campaign opened and her work was to organize the women behind it.

CITIZENSHIP SCHOOL TO BE DISCONTINUED

As an aftermath to the series of lectures at the Citizenship School the women met for an experience meeting at the Y. W. C. A. rooms Wednesday night.

The new voters, clerks and judges gave very interesting reports, and it was estimated that eighty per cent of the women of the county voted, in some precincts ninety per cent of the women voted.

Miss Habegger led the chorus singing. A resolution was passed thanking the supervisors, speakers and all those who had helped the women in the new work.

The Citizenship School will be discontinued for the present.

ALL NEGROES LOSE

Columbus, Ohio, November 4.—Notwithstanding the fact that six negroes were nominated on the Republican ticket in Ohio for membership in the General Assembly, not a member of

that race will occupy a seat in that body.

Reports from Cleveland and Cincinnati show the defeat of the negro candidates there, while the two negroes named here virtually were buried under an avalanche of negative votes.

In Springfield a negro physician who was nominated to be Coroner of Clark County on the Republican ticket was also defeated. So far as is known, not a negro was elected to any office in the state upon any ticket.

GROWTH IN TRADE WITH THE ORIENT

No feature of the export trade—which is likely to exceed \$8,000,000,000 in the calendar year 1920 as against \$2 1/2 billion dollars in the year before the war—is more striking than that of the growth in the sales to the Orient. To Asia and Oceania the total exports of 1913 were \$208,000,000 and in 1920 will considerably exceed \$1,000,000,000. To South America the total for 1920 will exceed \$500,000,000 against \$147,000,000 in 1913; to Africa \$140,000,000 against \$29,000,000 in 1913; to North America, other than the United States, about \$1,800,000,000 against \$601,000,000 in 1913, and to Europe over \$4,000,000,000 as against \$1,500,000,000 in 1913.

Exports to the Orient are thus, says a statement by The National City Bank of New York, more than five times those of the year preceding the war.

The Next President

The tremendous victory of Senator Warren G. Harding in Tuesday's election, while doubtless gratifying to his sense of pride, cannot fail to convey to him the knowledge of an increase in the already heavy responsibilities he assumes.

All during the campaign Senator Harding has maintained his admirable dignity. He has steadfastly refused to indulge in extravagance of statement or promise or to resort to personal abuse of men or measures.

He should assume the duties of his office next March remarkably free from personal antagonism resulting from the campaign.

He deserves the support of all loyal American citizens and will doubtless be given it. The tasks which he faces are almost beyond number and complex beyond the power of human beings to create.

No peace-time president ever assumed office under more trying conditions. His success or failure will depend, in great measure, on the character and reputation of the men whom he will summon to his side as aides in the administration of the nation's affairs.

It is none too soon to realize that he is, at once, face to face with discordant elements, among his supporters, and for loyal people to learn that they must discount many attacks which will be made upon him by selfish men and men of intolerant opinion during the next four years.

There will necessarily be many acts of commission by Senator Harding as president which will not meet with universal approval, but we should seek to overlook, to forgive or to explain away, wherever possible, actions which do not square with our notions.

The victory is his in all its immensity, but along with that victory comes the responsibility. There comes the day when the disappointed will cease to support him and seek to destroy him politically.

May God grant him strength and courage to serve his country well and save him from those who would, unable to use him, seek to bring about his undoing.

Silence Is Broken

At last, after the election, William J. Bryan, the one time leader of the Democratic party, has spoken.

While Chairman Hays of the Republican committee, and Chairman White of the Democratic committee are silent regarding the immensity of the Republican victory it remains for Mr. Bryan to explain it all with the terse statement that President Wilson inaugurated the disaster when he insisted on retaining article ten in the league covenant and that Governor Cox gave it momentum by misrepresenting the position of the Republican party.

We all remember that Mr. Bryan did go to Washington and endeavor to have suggested reservations accepted and failing predicted disaster for his party.

Mr. Bryan is, it must be conceded by friend and foe alike, entitled to say now to the Democratic party "I told them so," and he is doing it.

Governor Cox

All fair-minded people everywhere admire a good fair and square honest-to-goodness fighter.

Governor James M. Cox as the Democratic nominee for president, has been battling bravely against odds which could not be overcome ever since the San Francisco convention last July. There are some things, now that we are looking back on the campaign after the decision has been announced, which Governor Cox might have, with profit to himself, done or left undone, but nothing he nor any other man could have done would have changed the result, recorded by the voters on Tuesday.

It is inconceivable that Governor Cox, able as he is, could have, for one moment, been misled as to his chances. Notwithstanding the fact that the tides were running strongly against him at every turn he fought bravely on until the last and, during the closing weeks of the campaign, even his opponents conceded, was making some gains.

The campaign has proven that Governor Cox is one of the nation's big men, a capable leader and a man who will be one of the controlling factors in American politics for years to come.

POETRY FOR TODAY

GOOD TIMES HARVEST
We're harvestin' the good times —
Good as good can be;
The rivers sing about 'em
From the mountains to the sea;
The blessings of the big year
Are fallin' far an' free.
"Molly, put the kittle on
An' let's have tea."

They's still some folks a-talkin'
(Of high an' low degree)
'Bout how the country's goin'—
"No hope for you an' me!"
But we're harvestin' the good times
And Love's at home, you see,
So—"Molly, put the kittle on
An' let's have tea."

Democrats Accepted Defeat As
Having Been Expected

Republicans Received News Of
Victory As A Success Long
Ago Achieved.

BY MARK SULLIVAN
(Copyright 1920)

New York, November 3.—Half dozen times this morning and last evening as well as two or three times every day for the past week I have walked the four blocks that separate Will Hays and his aide in the Republican national headquarters from George White and his helpers in the Democratic National Headquarters. If either party had any foresight to predict or hindsight to explain the overwhelming quality of the Republican victory I should have heard this fact is, that as the remarkable returns rolled in over the wire last night, there was nothing said or suggested in either headquarters that the most distant reader may not readily have said himself.

At both headquarters everybody said was an overwhelming Republican victory and everybody stopped at that. None of the Democrats expected anything of the kind. Most of the Republicans, while perfectly certain of victory had no expectation of anything so sweeping as this. A few Republicans believed the victory would approximate or exceed that won by Roosevelt over Parker in 1904. They claimed that the only evidence to go upon was the result in Maine in September and that this Maine result would be carried out in the nation as a whole. To the Democrats it was a heavy blow. The wiser and saner Democrats of course have known all along that they could not win. A few of the more temperamental Democrats, having long ago realized that the facts looked in the face were pretty discouraging, adopted the device of working themselves up into a kind of emotional fervor which ignored all facts and figures and rested on faith alone. I have reason to suspect that during the last two weeks or more Governor Cox himself was in this mood and I suspect President Wilson was also. In all the conversations of the leaders at the two headquarters this morning and last night I do not believe I heard anything important enough to pass on. It was an overwhelming Republican victory and that was all there was to be said about it. With every hour of course the magnitude of victory becomes more apparent as well as the tidal quality of the public determination to dismiss the Democrats from control of the government's affairs and to adopt the issues that the Republicans have advocated during the campaign. Looking back the Republican leaders must be a little amused at themselves to recall how white faced they were over what must now seem such trivial things as the "Boys get the money" drive; the reaction from the Des Moines speech, and at the breach of taste involved in the well known cartoon. In the light of yesterday's events it is hard to believe that such things as these were seriously looked upon both by leaders and by some observers as having an important effect on the campaign. As I say, I have heard nothing in either headquarters this morning or last evening important enough to pass on. Of course there are many generalizations and deductions to be made but they can wait more mature thought and more careful writing.

Anyone who saw Madam Peacock must agree that the acting is superb, but outside of that there is nothing to it. Columbus, November 3.—The Republican avalanche continued to pile up majorities by the thousands in Senator Harding's home state tonight. Not a Republican candidate for state office was defeated and late returns to night indicated the possibility that the entire Ohio delegation in the next Congress may be Republican. In the present congress there are eight Democrats and fourteen Republicans from Ohio.

Senator Harding's plurality passed the 300,000 mark late today and was increasing with approximately 1000 precincts to be heard from.

Wednesday, Nov. 10th, Positively the
last day, so says Dr. Frederick
Blankner.

For the past three weeks Room No. 50, Arlington Hotel, has been a very busy place, while people are urging Dr. Blankner to remain longer, he positively will leave here on Wednesday, Nov. 10th. Many have taken advantage of his services, are well pleased, in fact many had surrendered to the ravishes of misery who are now experiencing a rapid return to health. Many people are daily suffering with disease of the stomach, kidneys, bowels, bladder, heart, lungs, nerves, catarrh, eczema, goiter and general disorder of the system that are absolutely curable and could get away from misery just as well as not. Act wisely and make a little journey to Room 50. Fail and you will regret it. Do so and it may mean the restoration of health.

Hundreds of people will suffer as a result of diseased teeth and when they do have them extracted they will realize a great deal of unnecessary torture which could be avoided by having them extracted the Blankner Way. The Happy Way. The painless way, while you smile and say God bless the Doctor as did Mr. Frank Pope, R. R. No. 5, who had 26; Mr. Daniel Wood, who had 13; Mr. O. E. Mitchell, R. R. 10, who had 17, and many more who could be mentioned. This is the time; place, Room No. 50, until Wednesday, Nov. 10. Office hours 9 a. m. to 8 p. m. Phone service.

Valparaiso, (By Mail)—Greater use of the ports of New Orleans for shipment of exports from the central Mississippi valley to Chile would be advantageous for both manufacturers and importers in the opinion of Thomas A. RANDOM NOTES
SOCIAL : PERSONAL MENTION : CLUBS

The interest always attendant upon a nuptial event is accentuated in the wedding of Miss Doris Mae McFadden and Mr. Ralph Evans Beatty, which was solemnized Thursday morning at half past nine o'clock.

The bride is the older daughter of Dr. and Mrs. L. M. McFadden and the bridegroom the younger son of Mr. T. T. Beatty, now of near Columbus, formerly of the Jasper neighborhood, both young people belonging to well known Fayette county families.

The home of the bride staged an extremely pretty autumn wedding the decorations carried out in rich autumn coloring. The bay windows of the large living room were banked with autumn leaves, ferns and bright berries, and masses of leaves in artistic arrangement formed an effective bridal bower in the east corner of the same room.

Adding much to the beauty of the wedding Madame Lillian Welseke, of Cincinnati, for the past year head of the vocal department of Western College sang "Whither-so-ever Thou Goest I will go"—Heller—playing her own accompaniment and also the Lohengrin March and "Oh! Promise Me" during the ceremony. Madame Welseke has a beautiful soprano voice and her piano renditions were no less artistically rendered than her solo. It was only her personal interest in the bride at school which led her to confer the honor of singing at her wedding.

The first strains of the wedding march summoned the bridal party—the officiating minister, Rev. Karl B. Alexander, entering with the bridegroom, Miss Anna Lee McFadden, the young sister of the bride, was maid of honor and Billy McFadden a composed little ring bearer, carrying the ring upon a pillow of tiny flowers. The bride entered upon the arm of her father.

The simple bridal tableau was beautifully effective and the ring ceremony markedly impressive.

The bride, a pure blonde was very lovely in a coat dress of midnight blue serge, made on simple lines with accented plaited skirt, the blouse having beaded vest of dark blue georgette. The maid looked pretty in a girlish dress of navy blue crepe de chine embroidered in blue threads, with plaited net collar and cuffs and satin sash. She carried an armful of pink rosebuds.

She wore away a top coat of chocolate brown velveteen with deep collar of racoon fur, andduvetyne tan of the same shade.

Immediately after the ceremony, amid a shower of confetti and rice Mr. and Mrs. Beatty left on a wedding trip, to be at home to friends after the fifteenth of November at the Beatty's country place, "The Locust," near Columbus.

It is only the fact that the bridegroom was formerly a popular Fayette County boy, that wins for him forgiveness in taking from Washington circles one of her most winsome girls—a girl whose many lovable traits are equalled by her keen mentality and personal charm. Both bride and bridegroom are graduates of the local High School.

The bride spent one year in Ohio Wesleyan University, entering the Western College, Oxford, the following year to graduate only last June. She was as much of a favorite with class mates at school as she has been at home.

The bridegroom an exceptionally fine young fellow was graduated from Ohio State University, a member of the Phi Psi fraternity and still closely affiliated with fraternity circles of his university. He served overseas with honor for twenty-two months, as Lieutenant in the Fourth Division.

A host of friends are extending best wishes and an array of handsome gifts also expressed affectionate interest.

Out of town guests included the bride's brother, Mr. Robert McFadden, Boston, Mass., the groom's family, Mr. T. T. Beatty, daughter, Miss Marie, son Dr. Hugh G. Beatty of Columbus, also Mr. and Mrs. John Hamilton, Jr., and Mr. John Courtwright of Columbus; Mr. and Mrs. Warner Beale, daughter, Miss Helen, Mr. and Mrs. W. C. Postwick of Mt. Sterling; Mr. and Mrs. Alva McFadden, of New Vienna; Mr. and Mrs. Trustin Morris, of Highland; Mrs. Jennie McVey of Oxford.

Dr. and Mrs. McFadden entertained the guests from away at a beautifully appointed at noon.

Wednesday afternoon at two o'clock in Sabina, at a home wedding elaborate and beautiful Miss Jane Donaldson, daughter of the late Dr. and Mrs. Donaldson, of Sabina, became the bride of Mr. Frank Herod DeWitt, son of Mr. and Mrs. Grant DeWitt.

The ring ceremony was performed by Rev. Kaufman of the M. E. Church of Sabina, the bridal party grouping before ferns banked to form an altar in the bay window.

Miss Mary Stewart, of Sabina was bridesmaid and Mr. Frank Thornton, of this city, best man.

The bride, a strikingly handsome brunette, made a radiant picture in white brocaded satin, caught up on both sides with orange blossoms, banded with georgette and trimmed in seed pearls. Seed pearls formed a bandeau which held in place the bride's tulle veil and she carried a shower bouquet of pink roses.

The maid wore pink satin and georgette, her bouquet of pink roses.

The wedding marches were played by Prof. H. C. Hall, who also played softly during the ceremony and the accompaniment for Mrs. Ralph Gaskins, who sang softly "Beloved It Is Morn" just prior to the ceremony.

Congratulations and a reception, with attendant social features and the serving of a collation followed. A number of beautiful wedding gifts were displayed.

Mr. and Mrs. DeWitt went to Detroit, Mich., and northern Ohio on a wedding trip, after which they will be at the bride's home for the winter.

Mr. and Mrs. J. W. Elliott delightedly celebrated their tenth wedding anniversary with a "500" party Wednesday evening.

Three tables of players progressed in a spirited game, at the close of which an elaborate two course supper was served. Bud vases, holding yellow and white chrysanthemums decorated each table.

The guests remembered Mr. and Mrs. Elliott's anniversary with the gift of an aluminum double boiler, presented by Mrs. O. D. Farquar with a clever original poem. Mrs. Farquar also assisted in the hospitalities.

The Woman's Guild of the First Presbyterian church enjoyed the hospitality of Mrs. Wert Shoop's home at a most pleasurable kensington Wednesday afternoon. Entertaining with Mrs. Shoop were Messdames J. M. Willis, Kerr, Robinson, Hudson, Lipsett and Frank S. Jackson.

Thirty women visited over their sewing.

Yellow chrysanthemums were prettily used in decoration and a tempting repast served.

Miss Clesta Brown, daughter of Mr. and Mrs. B. F. Brown and Mr. Jasper Hooks, son of Mr. and Mrs. Sherman Hooks, were quietly married Monday afternoon at three thirty o'clock at the Methodist parsonage, Rev. Alexander officiating.

Mr. and Mrs. Glenn Flint were the only attendants.

Mr. and Mrs. Hooks will make their home for the present on South North street.

Mr. and Mrs. Virgil Fishback delightfully entertained last Wednesday evening at their home near Leesburg, with a Halloween party in honor of Mr. and Mrs. J. E. Fortier, of Washington C. H., who will soon leave for their future home in California. The house was beautifully decorated with autumn leaves, ears of red and yellow corn and flowers. The evening was spent in fortune telling, games, and dancing. Delicious refreshments and punch were served during the evening.

Those who enjoyed the affair were: Mr. and Mrs. J. E. Fortier, Mrs. Berta Wilson, Mr. and Mrs. Verne Reese, Mr. and Mrs. Pearl Wilson, Hyason Wilson, Pauline Wilson, Alta Wilson, Lily Littrell, Nellie Campbell, Lindley Smith, Don Page, Harley Cockerill, Charles Campbell, Oliver Eddings, Harry and Homer McConnehey and Melvin Williams.

A trio of charming hostesses, Messdames Haldee Van Winkle Coffman, Charlotte Cleveland Tuttle and Miss Bess Cleveland, entertained The Peacock Club, a social organization with which Dr. and Mrs. N. H. Chaney had shared many pleasurable associations during their years in this city, in honor of the former Superintendent and his wife with a delightful dinner Wednesday evening at the home of Mrs. Haldee Van Winkle Coffman. Mrs. Eva J. Penn was a guests with Dr. and Mrs. Chaney.

It was a beautiful dinner sparkling with reminiscences and a fraternal spirit which was the best of sauces for a delicious menu, perfectly served by Cateress Mabry.

Covers were laid for eighteen, the guests seated at tables effectively decorated with scarlet candles and baskets of fruit.

The visit of Dr. and Mrs. Chaney has been greatly enjoyed by their many Washington friends, who hope that such visits will be more frequent in the future.

Following an operation necessitated by an internal cancer little John Davis, thirteen year old son of Mr. and Mrs. Charles Freeland of Jeffersonville, died at the Fayette Hospital short after seven o'clock Wednesday evening.

Relying on an operation for a last recourse to end an almost incurable disease the operation was performed but the frail body was not able to stand the shock. The body was removed to the home Thursday morning.

The child attended school and was in the seventh grade at Jeffersonville.

Funeral services had not been announced Thursday.

SELL THOUSANDS OF THEIR SWINE

Many farmers in Fayette county, alarmed by the ravages of the so-called "swine plague" which has caused the death of a great many hogs in the last month, have been selling their hogs before full ready for market, and in some instances disposing of most of their other hogs in addition to those being fed for market.

Most farmers are taking precaution to prevent ravages of the swine plague among their herds, and find that preventive measures go far toward saving them from loss.

NO ROAD LEVY AT NEXT COLLECTION

No two mills for road purposes will confront tax payers when they pay their next installment of taxes.

OHIO DOCTOR TOOK DRECO AND DECLARES IT TO BE A GOOD, SAFE HOME REMEDY

Says Dreco contains the same medicine he has been prescribing for fifty years to relieve stomach, liver, kidney and bowel troubles.

"I am opposed to reckless praise of anything, for I have lived too long and seen too many things come and go in my fifty years of practicing medicine here in Ohio, but in fairness to Dreco, I am willing to openly endorse it after having taking this medicine myself," said Dr. John W. Fletcher of 819 Grant St., Springfield, Ohio.

"Before taking this medicine, I investigated what it was made of and found it contained roots, herbs, barks, and leaves, which I have been prescribing for years in kidney, liver, bowel and stomach troubles, and I

EPIDEMIC SUBSIDES AT JEFFERSONVILLE AND AT GOOD HOPE

The scarlet fever epidemic has shown such abatement in Jeffersonville that the public schools resumed Wednesday. No additional cases have appeared other than the original three but three others have occurred in the rural districts.

The quarantine orders that prevented public gatherings and allowed no loafing in stores is still in effect, a report from Jeffersonville says.

At Good Hope the scarlet fever epidemic has been held well in hand and no additional cases have appeared. Schools have been in session all week.

County Superintendent Nelson announced Thursday that the Cisca schools will reopen Monday. Diphtheria appearing in the district caused the closing order.

WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day worse when it's damp or chilly. Suspect your kidneys and try the remedy your neighbors use.

Mrs. T. F. Gardner, 228 East St., Washington C. H., says: "For several years I suffered with kidney disorder. There were sharp twinges through my sides and hips and a sudden turn would make me scream. I was flat on my back for days. I couldn't move without having pins through my kidneys. My health began to fail and I had nervous spells and headaches, in fact, I thought I was going to die. I began using Doan's Kidney Pills and the pains through my kidneys disappeared and my health improved in every way."

OVER FIVE YEARS LATER Mrs. Gardner said: "I still praise Doan's Kidney Pills as highly today as ever. I have had practically no kidney trouble for the past four years, so I know Doan's have permanently cured me." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

SPLIT FOOT OPEN IS IN HOSPITAL

John Burgess, residing near Greenfield, is in the hospital in that town as the result of splitting one foot open with an ax.

Burgess was cutting wood when the ax slipped and laid his foot open from the toes to the instep. It was with difficulty that the flow of blood was stopped. He is expected to recover speedily, but may be crippled for life because of shattered bones and torn ligaments.
